

The Eagle Way

Soaring High with Respect, Responsibility, and Resilience

At Mitty P. Locke Achievement Academy,
we soar like Eagles by demonstrating
Respect, Responsibility, and Resilience every day!

RESPECT

We are kind to ourselves, others, and our school.

We listen, use kind words,
and celebrate what makes us special.

RESPONSIBILITY

We always try our best, even when it's hard.

We make smart choices
and ask for help when we need it.

RESILIENCE

We don't give up, even when things are tough.

We learn from our mistakes
and never stop trying.

**Eagles don't just fly — they soar by being
Respectful, Responsible, and Resilient!**
